

## **Usui/Holy Fire® III Reiki Master**

The Master training combines the complete Usui/Holy Fire® III Master training into one 3-day class which is usually taught during a 3-day weekend or otherwise during the week. See individual class pages for class times.

### **World Peace Reiki**

This class makes use of World Peace Reiki energy which has all the qualities of the Holy Fire III energy and includes a higher vibration that actively creates feelings of peace within each student. Also included in this class is the Empowered by the River of Peace Experience and the World Peace Ignition which establishes and strengthens the World Peace Reiki energy and empowers one to actively manifest peace in the world. This type of peace is similar to the peace Usui Sensei received on Mt. Kurama when he was given the gift of Reiki. The World Peace Ignition also empowers each student to teach the World Peace version of this class to others. To qualify to take this class, a student must have taken Reiki I&II and practiced Reiki II for at least six months. Also, a student must be able to draw the three symbols from Reiki II from memory. ## **Holy Fire® III Karuna Reiki®**

### **The Meaning of Karuna**

Karuna is a Sanskrit word and is also used in Hinduism and Buddhism. It is translated to mean any action that is taken to diminish the suffering of others and could also be translated as "compassionate action." When individuals experience enlightenment, they report that all beings are known as one. Therefore, it is natural to extend compassionate action or Karuna to everyone without distinction because we are all one. As we help others and aid them in their healing process, all beings benefit. Because of the oneness of all beings, it is understood that Karuna is not only extended to others out of love, but also because it is an entirely logical thing to do. In the same way that you would want to heal your own wounds, you would also want the wounds of others to heal. It is also stated in the Buddhist literature that Karuna must be accompanied by prajna or wisdom in order to have the right effect.

Karuna is the motivating quality of all enlightened beings (also called the Brothers and Sisters of the Light) who are working to end suffering on Earth. They continually send an unlimited amount of healing energy and guidance to us, but not all are receptive to it. As you develop Karuna in yourself, not only are you helping others, but you also become more receptive to the Karuna that is being sent by the supreme being. Thus, your healing is quickened as well. Karuna Reiki® opens you to work more closely with the supreme being.

Also included is a technique we will explain and practice in class that heals you from being adversely affected by the negative influences of others.

### **Holy Fire® III**

In this Master class, you will learn to give Placements which are Ignition-like experiences for Reiki I&II and the first part of Reiki Master. (Placements and Ignitions are the same as attunements.) The Placement/Ignition system provides a more effective level of Reiki for the student and also empowers the symbols with more effective healing energy. A certificate and a 142-page manual are included.

## **World Peace Reiki**

## **Practicing and Teaching Karuna Reiki®**

The Karuna symbols can be used just like other Reiki symbols when giving Reiki sessions. When teaching, the whole method is taught in one 3-day weekend as described above. This is possible because the requirement to take the class is to have been a Reiki Master for a minimum of 6 months. This prior training requirement allows students to more effectively receive the ability to use each of the symbols in Reiki sessions and the ability to teach the complete system to others. Also, you'll be shown how to give the Usui/Holy Fire® III Placements for Reiki I&II and Master. The Master class uses Ignitions which you will be empowered to give in your classes. This means that after taking this class, you and your students will be able to teach all levels of Reiki as Holy Fire® III World Peace classes.
